### Directors' Review

The Directors of Azgard Nine Limited ("the Company") are pleased to present the quarterly management review along with the un-audited interim financial statements for the period ended 31 March 2009.

#### PRINCIPAL ACTIVITIES

The Company's main business is that of manufacturing and marketing of denim textile and apparel products from raw cotton to retail ready goods. The company is the largest denim products manufacturing company by sales in Pakistan.

The Company's other principal activity (through its subsidiaries), is the manufacture and marketing of nitrogenous and phosphate fertilizers.

### Textile and Apparel

The Company has managed to grow its sales significantly in spite of the very challenging trading conditions. However, the global financial crisis has impacted margins significantly. This coupled with the impact of very high domestic interest rates has affected the profitability of the business. The company maintains its position as the largest denim products company by sales in Pakistan and feels that it will be able to deliver topline growth during the year. However, it is foreseen that margins will remain under pressure for the foreseeable future.

The company is trying to add value to its products by improving service levels in order to increase customer satisfaction.

#### Fertilizers

4

The Company's wholly owned subsidiary, Pak American Fertilizers Limited ("PAFL"), operates the newest and most efficient urea plant in the country. PAFL through its wholly owned subsidiary Hazara Phosphate Fertilizers (Pvt.) Limited operates the largest manufacturer of single super phosphate fertilizer in Pakistan. The first quarter is typically a low season for fertilizer sales and PAFL also took its annual plant turnaround in this quarter. The Company is now a diversified fertilizer producer manufacturing both nitrogenous and phosphate fertilizers. The outlook for the sector is expected to remain stable.

#### FUTURE MARKET OUTLOOK

Pakistan's textile sector is facing extreme challenges in the shape of high interest rates, increasing utilities and labor costs. Moreover, countries like China, India and Bangladesh, which compete with Pakistan in this sector, are getting increased government support in order to help the sector through these challenging times. The company is trying to reduce costs, maximize synergies and increase service levels. The objective is to create a highly integrated supply chain and to enhance the product value proposition.

The outlook for the fertilizer business, is expected to be positive. Agricultural production has been strong and support prices for the major crops are better than in previous year. This should lead to maintaining strong demand for fertilizers in the foreseeable future. The fertilizer sector supports the agriculture sector which is the back bone of the economy. The fertilizer market continues to be deficit in Urea and phosphates helping local producers to continue to retain a strong position.

### ACKNOWLEDGEMENT

The Board would like to avail this opportunity to thank our valued customers and the financial institutions whose faith and support over the years has fostered strong relationships which have played a pivotal role in the growth of the company.

The board also wishes to place on record its appreciation for the employees of the Company. All this has been possible with their hard work and commitment.

On behalf of the Board

Notes to and forming part of Financial Statements for the quarter ended 31 March 2009

### 1 REPORTING ENTITY

Azgard Nine Limited ("the Company") is incorporated in Pakistan as a Public Limited Company and is currently listed on Karachi Stock Exchange (Guarantee) Limited. ANL is a composite spinning, weaving, dyeing and stitching unit engaged in the manufacture of yarn, denim and denim products. The registered office of ANL is situated at Ismail Aiwan-e-Science, off Shahrah-e-Roomi, Labore

### 2 BASIS OF PREPARATION

### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the directives issued by the Securities & Exchange Commission of Pakistan and are in compliance with the International Accounting Standard ("IAS") 34 "Interim Financial Reporting".

These condensed interim financial statements are neither audited nor reviewed.

The comparative statement of financial position as at 31 December 2008 and the related notes to the condensed interim consolidated financial statements are based on audited financial statements. The comparative statement of comprehensive income, statement of cash flows and statement of changes in equity for quarter ended 31 March 2008 are based on unaudited and unreviewed interim financial statements.

#### 2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for certain financial instruments at fair value, employees retirement benefits at present value and certain items of property, plant and equipment at revalued amounts. In these financial statements, except for the amounts reflected in the statement of cash flows, all transactions have been accounted for on accrual basis.

### 2.3 Judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgements are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

### 2.4 Functional currency

These financial statements are prepared in Pak Rupees which is the Company's functional currency.

### 3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted for the preparation of these condensed interim consolidated financial statements are consistent with those applied in the preparation of the preceding annual published financial statements of the Company for the year ended 31 December 2008.

#### 2 BASIS OF PREPARATION

### 2.1 Statement of compliance

These condensed interim consolidated financial statements are neither audited nor reviewed.

These financial statements have been prepared in accordance with the directives issued by the Securities & Exchange Commission of Pakistan and are in compliance with the International Accounting Standard ("IAS") 34 "Interim Financial Reporting".

The comparative statement of financial position as at 31 December 2008 and the related notes to the condensed interim consolidated financial statements are based on audited financial statements. The comparative statement of comprehensive income, statement of cash flows and statement of changes in equity for quarter ended 31 March 2008 are based on unaudited and unreviewed interim financial statements.

### 2.2 Basis of measurement

20

These financial statements have been prepared under the historical cost convention except for certain financial instruments at fair value, employees retirement benefits at present value and certain items of property, plant and equipment at revalued amounts. In these financial statements, except for the amounts reflected in the statement of cash flows, all transactions have been accounted for on accrual basis.

### Condensed Consolidated Interim Financial Statements

Notes to and forming part of Consolidated Financial Statements for the quarter ended 31 March 2009

### 2.3 Judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgements are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

### 2.4 Functional currency

These financial statements are prepared in Pak Rupees which is the Company's functional currency

#### 3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted for the preparation of these condensed interim consolidated financial statements are consistent with those applied in the preparation of the preceding annual published financial statements of the Group for the year ended 31 December 2008.
