

WOMEN EMPOWERMENT

Gender Pay Gap

Mean Gap

Mean pay for men is 17% higher than that of women.

Median Gap

Median pay for men is 41% higher than that of women.

WELFARE COMMUNITY CENTRE

We established a community welfare center with a dedicated focus on empowering women. This center offers free operational training opportunities, equipping women with the tools they need to succeed.

Our mission goes beyond skill-building; we are committed to fostering an environment where:

- Honesty is paramount
- Self-esteem is nurtured
- Mentorship is encouraged
- Every individual's worth is recognized
- Girls remain in school
- Negativity is challenged
- Injustice is confronted
- Female colleagues are fully supported
